It's Official!

As of noon on June 20th, qualifying for local races ended, and Malcolm Thomas is the only Republican in the race for Superintendent of Escambia County Schools! That means that there will be no Republican primary. In the current primary system, voters are restricted to one party. Now, because there will be no Republican primary for Superintendent of Schools, all Malcolm Thomas supporters can focus on promoting the best candidate without concern for party affiliation. On November 4th, Republicans, Democrats, Independents and those without a party affiliation will all be able to cast a ballot for the **best** and most qualified candidate - **Malcolm Thomas**.

This is great news, but we can't afford to let our guards down. We need to keep talking, keep telling the story, keep influencing our friends as we build momentum for the final stretch. If you ever wanted to get involved in a campaign that is exciting, this is the one!

Don't miss out on the fun that comes from being a part of this inspirational campaign. Get in on the action by attending the upcoming steering committee meeting at TGI Friday's this Monday, June 23, at 6:00 P.M. It's located at 1240 Airport Boulevard between Sam's and Sports Authority. At that time we will review our plan for the campaign, and Malcolm will update us on the meetings he has had and the support he has garnered. You won't want to miss it! You may also pick up campaign materials there after the meeting.

If you can't attend on the 23rd, you can attend one of the regular meetings there on the first and third Monday of each month. In the meantime, if you would like to pick up yard signs, T-shirts, car magnets, bumper stickers, or other campaign materials, you may e-mail info@malcolmlthomas2008.com and arrangements will be made for delivery.
